

Notice of Changes to the CFA Website

There are some changes at the Crystal Falls Association website, crystalfallsranch.com that we would like our members to be aware of. Beginning immediately we have changes the name of the menu item “Documents” to now be titled “Members Only”. Access information for our remote meetings will now be posted under Members Only and then Board Meetings. All documents pertaining to Board Meetings, such as Agendas and Treasurers Reports, will be posted under Board Meetings by date of the meetings. The Agendas sub menu and the Treasurers Report sub menu will be removed from the website, as all Board Documents will be able to be found in one place under the Board Meeting sub menu in the Members only section. These changes will keep member only information private and access to Board Documents more streamlined.

If you are in need of help please call the office 533-4877.

Thank you.
