

COMMUNITY GARDEN RULES

1. Each gardener shall be responsible to maintain their plot and path free of weeds and trash. Trash must be removed from the garden area.
2. Communal tools must be cleaned and returned to the shed when they are not in use.
3. If you bring your own personal tools or other supplies from home, take them with you when you leave. (Leaving them in your plot does not ensure their safety).
4. Certain tools, including hoses, shall be purchased by communal garden members.
5. You must harvest, water, or tend only in your own plot unless you have permission from another gardener.
6. Gardeners with young children must monitor their behavior and whereabouts at all times to ensure that they stay on the path and do not trample or interfere with someone else's garden plot.
7. There shall be no disrespect of others, or any other misconduct. The garden operates under the *CFA Code of Conduct for Directors, Committee Members, and Members of Crystal Falls Association (adopted 5/16/2019)*. Any issues or infractions should be reported to the CFA Board by calling the office, filling out a complaint form (available at the office or on the website), or by calling the Board Director assigned to the garden.
8. Dogs are not allowed at the garden.
9. Smoking is permitted only at the designated smoking area outside the gate.
10. Garden hours are from dawn to dusk.
